**Subject:** China Chinese Restaurant Renews at Warrenton Towne Centre

Warrenton, Virginia, Wednesday, September 5, 2018– Chiou & Yue LLC renewed its lease for 1,114 square feet at the Warrenton Towne Centre in Fauquier County, Virginia.

On 8/18/2017 Vinita “Vonka” G posted this Yelp review: Love love love this place!! My fiancé introduced it to me when we first started dating; he'd been eating there for at least 5 years before we met. After trying their food, I've never wanted any other Chinese food. I was first hooked by their General Tsos; it's unlike any other I've ever had, and is always crispy, hot, and flavorful. Then their dumplings...by themselves, they're delicious, but with their sauce (still don't know what makes it so magical), they're amazing. AND THEN their crab rangoon...so uniquely shaped to make the best filling to covering ratio and served with such yummy sauce. I've tried several other things, including noodle and other meat dishes, and can honestly say I've never had a bad dish. The servers there are very nice. The owner (I believe), Lily, is such a sweetheart. I highly recommend this place, and hope it stays in business for years to come! I will gladly continue to drive 35-40 minutes each way to get this food.

Quick tip: eating at the restaurant gives you the best quality of food, but holds up fairly well if carried out. Surprised to find the crispy dishes stay more crisp than expected when carried out, too.

*China Chinese Restaurant, 589 Frost Avenue, Warrenton, Virginia 20186-3023, is conveniently located near both Fauquier High School and Fauquier Hospital.*
