Kid's Haven to Operate This Fall at Warrenton Towne Centre

McLean, Virginia, Thursday, September 03, 2009 – Today, **Great McLean**

Chamber member Kalis Development Corporation announced Kid's Haven will operate at 617 Frost Avenue (Route 211) in 15,922 square feet of space at the Warrenton Towne Centre for several weeks in September and October 2009.

Nicholas Kalis, property manager of the Warrenton Towne Centre explained, "We always expect a repetition of previous successes in hosting Kid's Haven at the Warrenton Towne Centre."

Kid's Haven is held twice a year, Spring/Summer and Fall/Winter in Warrenton, Virginia. For the convenience of consignors and to keep the sale organized management provides consignors with tags, removable labels, and preprinted UPC barcode stickers. When consignors have an estimate on the number of tags, labels and UPC barcodes they will need, they may email Angela Sain that number and she or her staff will mail them to them.

Kid's Haven Consignments supports their community by donating to local charities. Hundreds of unsold items are donated at the end of every Kids Haven sale. Some of the charities they help support are Vint Hill Transitional Housing, Fauquier Family Shelter, Care Net Pregnancy Crisis Center, Community Touch and Sam's Place. Readers knowing of a local charity that would benefit from a donation of infants, children's or maternity items should let Kid's Haven know. Angela Sain is married to husband Buddy and has three daughters: Ashley, Kayla and Taylor. In 2001 she started this business and has seen it grow from 36 consignors to over 200 consignors.
