Subject: Dog Grooming Salon Commits to Warrenton, Virginia

Warrenton, Virginia, Thursday, March 7, 2024—Evidencing its commitment to our Warrenton Towne Centre on Route 211, The Dog Spa has renewed its lease. Celebrating its fifth anniversary this year, this salon - in the same center as Warrenton's Food Lion and Harbor Freight – has enjoyed stellar reviews since opening at its 585 Frost Avenue, Warrenton, Virginia location.

Ashlee Pezzuto, the owner, has been an animal lover her whole life. Growing up with an array of pets on her family farm gave her an in-depth skill set and knowledge base as well as the passion to pursue experience in veterinary medicine and rescue rehabilitation, and dog training and behavior. It all culminated in a career as a certified dog groomer.

Ashlee started her career with animals as a Veterinary Assistant where she received her first grooming experience. Then, while working in a rescue rehabilitation center Ashlee volunteered to groom shelter pets in desperate need so to help them find their forever homes. Ashlee's passion to work with animals is now expressed through grooming, dog training, and dog shows.

Ashlee is available for individual custom-tailored care, special needs cases, and everyday upkeep; she looks forward to continuing to serve clients and their dogs for years to come. Self-dog wash has also been available at this location.

For further information, contact Ashlee Pezzuto at 540 729-1625 or Thedogspa19@gmail.com or [Facebook.com@TheDogSpaLLC](https://www.facebook.com/TheDogSpaLLC)
