## BRIEFING

### Habitat ReStore hosts Team Green World

Fauquier Habitat for Humanity's ReStore will host Team Green World in an event celebrating Earth Day on Sunday, April 26.

The event, "Together, We Are Changing Lives" will be held from 2 to 4 p.m. at the ReStore at 517 Frost Ave. in Warrenton. The event will focus on fun activities teaching children how to think ecologically using music and dance as the messenger.

This free activity for children will include a "Color How You Care" session, an upcycling demonstration, a puppet show, and a Zumba Kids Dance led by Fitness Energy. Children of all ages are welcome to attend and participate.

"Fauquier Habitat's ReStore is the perfect location for this event," said ReStore Director Georgianna Granillo, "as we promote 'recycle, reuse, rebuild' as part of the ReStore's mission. We keep useable material out of the landfill while at the same time raising funds for our building program in the community."
